

National Vocational Qualification in Health & Social Care

Level 4

The level 4 qualification is designed for supervisory or management roles. They cover managerial duties in addition to the assessment planning and review of individuals' care needs. At this level you will have management or supervisory responsibility for other staff or a high level of autonomy in developing individual responses to the assessed needs of service users competence and application of knowledge.

On completion of the framework, the candidate will receive the following qualifications:

- City and Guilds NVQ Level 4 in Health & Social Care

Level 4 National Vocational Qualification in Health & Social Care (Adult Pathway)
