

Managing Performance

Performance management is absolutely critical to the success of any organisation. This course identifies the importance of utilising a performance management methodology and gives participants the skills to install one.

It will increase organisation effectiveness and productivity by helping leaders improve day-to-day management of their team. Managing Performance equips participants with the skills and techniques required to ensure staff perform to the peak of their abilities.

client testimonial

Since the training we have had with t2, staff feel more motivated by the investment we've shown in them. The fact that the course was fully tailored to us and our requirements meant that I knew I wasn't wasting money on generic training – I knew our issues would be addressed and rectified.

Tilla Singh, **Biotage Ltd**
