

NVQ Assessor Health and Social Care

Salary: £18k to £23k depending on experience
Location: Bristol/South West
Company: t2 business solutions
Job Type: Permanent

Established in 1996, t2 business solutions have grown to become one of the largest business solutions providers in Wales and the South West of England – employing 100 staff and supporting nearly 2,500 employees throughout our client base of over 500 organisations.

Due to recent successful tendering for contracts in England we are now expanding our operations throughout the South West of England where we will aim to be the number one provider of Health & Social Care.

Therefore we are currently recruiting for NVQ Assessors to deliver NVQ's in the Health & Social Care sector. This role is peripatetic and you will be required to travel to meet with your manager on a regular basis.

Job Description

You will be organised, efficient, have excellent communication/people skills, an eye for detail and be motivated to succeed.

- To manage a caseload of learners undertaking NVQ's in Health & Social Care
- Support and assist learners with their progression through the NVQ
- To ensure that learners are visited on a monthly basis
- To ensure all audit paperwork is kept up to date
- To work towards agreed objectives/targets

Work Experience

Ideally you will possess the relevant D32/D33 or A1 qualification; however, if you have the required level of occupational competence in nursing or a management role in a care environment, we are flexible and have an internal training program to enable you to obtain your Assessor Award.

Additional Information

A full clean driving licence is required.

We offer 25 days holiday plus bank holidays and travel/parking expenses are covered by the company.

Previous applicants need not apply.

We are Investors in People accredited and are committed to diversity in our workforce and to equality of opportunity recruiting the best people for the role.

Strictly no agencies.
